

# EMPLOYMENT OPPORTUNITY SERVICE TECHNICIAN DAIRY FITTER

**BUILD A STRONG TRADE CAREER IN DAIRY SYSTEMS**

**If you're a skilled fitter/welder looking for solid work, good conditions, and long term opportunity, this role delivers. Annual Salary \$75,000-\$83,000 plus overtime plus bonus.**

## **What You'll Get:**

- Variety across installation, repairs and servicing of dairy systems
- Clear path to grow into a specialist role
- Competitive wages + overtime + annual bonus
- Fully maintained company vehicle
- Ongoing skill development across mechanical and system work
- Autonomy to get the job done without being micromanaged
- Supportive team that works well together
- Work that directly supports local farmers

## **What We Need From You:**

- Mechanical or Welding Trade Qualification
- Strong fitting and fabricating skills
- Competent in MIG and arc welding
- Able to problem solve and work independently
- Good computer skills
- Solid communication and customer service
- Current C Class drivers licence
- Willing to be on a rotating 24 hour on call roster

## **Who We Are**

Cape Country Rural is a family-owned business based in Smithton, servicing the dairy industry across North West Tasmania.

We focus on:

- Reliable Service
- Quality Workmanship
- Looking after our customers
- Cultivating a team culture of inclusion, friendliness and care

Dairy experience is an advantage, but not essential  
We can help with relocation expenses and housing if required
